The following remarks and amendments are submitted in response to the final Office Action dated April 1, 2003, in connection with the above-identified application.

In the Specification

Please replace the paragraph beginning on page 32, line 25, with the following rewritten paragraph:

--Where it is determined at step 417 that no trailer is received, the reception of data is continued until the trailer is received (Step 419). The received data is then temporarily stored in the buffer set in the procedure of FIG. 5C (Step 421). When the trailer is received, the subject microprocessor
